

ULTIMATE CLASSROOM CONTROL HANDBOOK
A Veteran Teacher's On-the-Spot Techniques for Solving Adolescent Student Misbehavior

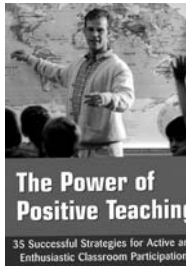

Discover answers and backup plans to discipline problems and classroom management issues. This fix-it manual targets student disruptions and teaching inefficiencies that eat up instruction time. It covers the topics of how to deal with behavior issues immediately without paperwork or conferences, how to use peer pressure to improve behavior, and how to understand adolescents' motivations to more easily manage your classes. Learn discipline techniques that work every time. Spend your time educating rather than disciplining. JIST

THE CLUSTER GROUPING HANDBOOK
How to Challenge Gifted Students and Improve Achievement for All

In today's standards-driven era, how can teachers motivate and challenge gifted learners and ensure that all students reach their potential? This book provides a compelling answer: the Schoolwide Cluster Grouping Model (SCGM). The authors present a roadmap for implementing, sustaining, and evaluating schoolwide cluster grouping. The included CD-ROM features all of the reproducible forms from the book plus a PowerPoint presentation. An essential resource for administrators, gifted education program directors, and classroom teachers. FREE SPIRIT

AG-ED PUZZLES AND PUZZLERS

This instructional packet includes 61 student activities in the form of crossword puzzles, word finds, scrambles, and definition of terms. These activities cover the subject areas of Agriscience, Agribusiness, Agricultural Processing, Agricultural Engineering and Technology, Animal Science, and Plant Science. Puzzles in areas such as wildlife management, FFA and SAE, livestock, soils and crops have been added. Developed by an experienced ag instructor to help motivate students, summarize a unit, or just fill that extra 10 or 15 minutes of "dead" time. Activities are printed on one side with the answer key on the back. Sold as a copy master. HOBAR

COW PIES & BASES

This work is more than nostalgia. Each chapter of this book presents an experience the author had growing up when farm technology was in its infancy. "Those of us who grew up in the country remain part of that experience. We can physically leave, we can emotionally leave, but there remains a deep spiritual link to the places that birthed us." Robert B. Coates. SINGING RIVER PUBLICATIONS
